Dear Tom,

On behalf of the Yorba Linda Chamber of Commerce Education Committee, I want to thank you for being a breakfast sponsor for the Student Scholarship Awards Breakfast.

This was our most successful endeavor this year to let our district students know how proud we are of them! Your participation as a business person fosters success in our schools and may encourage these future leaders to also support their communities.

The "Student Scholarship Awards Breakfast" is a yearly event; I trust you will agree all 12 students were most deserving of our scholarships. We wish we could have given all the applicants a scholarship.

The Education Committee thanks you for your support of our students. We look forward to our continued partnership.

Sincerely,
Yorba Linda Chamber of Commerce

Phyllis Coleman
Executive Director
